

The Federal Communications Commission

Dear The Federal Communications Commission,

Please reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. Because I am retired I am concerned that this proposal could make my current service unaffordable.

I use my wireless phone on a limited basis for emergencies, security and very few local and or long distance calls.

I urge you to reject the proposal to move the USF collection system to a flat-fee.

Sincerely, Sharon D. Norton 3001 SW Chastain Ave.
